THE OFFICIAL NEWSLETTER OF THE
CAC OF WARREN COUNTY

Manager's Message

This may be our winter edition, but it sure hasn't felt like winter lately.

February has been an exciting month as we celebrate 15 years of providing services to the children and families of Warren County. I am proud to say we have grown to meet the needs of this community since the beginning, and as a result, we have provided services to over 3500 children since opening our doors! We are the only ones to provide the team response to child abuse and neglect, and our work is not possible without the support and collaboration over the years of community partnerships.

As you read through this quarterly issue, you will see the wonderful things we have in store for April to build awareness and support the center. April is when we can focus on prevention with our Pinwheel Partner Campaign, and we get to end the month with our largest fundraiser of the year- our **Blue Ribbon Benefit**. We hope you can join us and "Raise a Glass" to 15 years of giving children a voice, and providing the best response to child abuse in our community!

In honor of our 15th year of operation, we have created the Anniversary Club! This is a monthly donation of \$15 a month for the year of 2023. This small donation can have a large impact on the children that we serve in your community.
